Artmania Festival

This summer, the historic center of Sibiu will bathe in the bitter and melancholic rhythms of bands like Amorphis, H.I.M, Silentium and Kumm. Together with concerts, the organizers have also prepared exhibitions, film screenings, lectures, workshops and classical performances.

The name of the festival promises a diversified and veritable experience.

This year's festivity is dedicated to Finland, thus most of the invited bands come from this Nordic country.

Medias, Mediaeval Fortress

Starting last year, Medias City Hall has planned a revival of the ancient culture of the city through a festival meant to showcase its deep mediaeval roots as one of Transylvania's most well known seven medieval cities (Siebenburgen).

During the festival, the streets will be filled, once again, with knights, traditional craftsmen, and minstrels.

"Asterix et Obelix" Holiday Centres

This project started out as a collaboration between French and Romanian educators. This is the third year it takes place in Sibiu, offering children an opportunity to make the best of their free time: young artists, specialized in animation techniques, will entertain them during this program. They will also get a chance to discover the French culture and language. For only one euro a day, children can receive two meals while their parents and grandparents can take a day off.

Up on Jina Mountain

Every year, at the end of July, the local inhabitants of Jina get ready for celebration. Numerous folkloric bands are invited to celebrate the traditions of the Romanian peasant, some from the different regions of the country, such as Alba, Valcea, Arges, Hunedoara, and Sibiu, and some from Great Britain and Germany. This is the 34th edition of this event.

June - August

Extra-European Apparel

This is a selection of traditional items, belonging to countries in Asia and South America. This exhibition is the result of the most recent collections in the Astra Museum ("Ex-presidential Gifts", "Chinese Minorities' Costumes", "Shimane/Japan", "Ecuadorian craftsmanship") and it sets out to emphasize the impact of the specific features of different cultures on the chromatics and ornamental motives of traditional craftsmanship items.
